For: SYSTEM AND METHOD FOR PROVIDING
A SERVICE IN A CONTROLLED RUN-
TIME ENVIRONMENT

Examiner: J. T. Johnson

PETITION UNDER 37 C.F.R. § 1.113 REGARDING CLAIM OBJECTIONS
MADE BY EXAMINER

MS Appeal - Patents
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Pursuant to 37 CFR 1.113, the attention of the Patent and Trademark Office is hereby directed to review the pending objection to the claims and withdraw the objection.

Claims 17 and 19-20 are objected to for informalities listed on page 2 of the Final Office Action. Specifically, the Examiner states that the phrase “code for” is intended use and should be amended to recite “code to”. Applicants note that performing the amendments requested by the Examiner would result in grammatically incorrect phrases. For example, amending “code for registering” in claim 17 to “code to registering” is grammatically incorrect. Furthermore, the phrase “code for” is not an intended use, but rather defines that the claimed code is operable to perform the stated function. Consequently, the phrase “code for” is not intended use language. Thus, Applicants respectfully request the withdrawal of the objection of record.

The Applicants thank the Commissioner for their time in reviewing this petition and respectfully requests that this petition be granted under 37 C.F.R. 1.113.

The Applicants believe that no fee is due with this Petition. However, if a fee is due, please charge Deposit Account No. 08-2025, under Order No. 100202433-2 for these fees. The Director is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application) to Deposit Account No. 08-2025, under Order No. 100202433-2.

Dated: September 11, 2007

Respectfully submitted,

I hereby certify that this paper (along with any paper referred to as being attached or enclosed) is being transmitted via the Office electronic filing system in accordance with § 1.6(a)(4).

Dated: September 11, 2007
